They don't come out of a magician's hat but they sometimes do come from strange places. An East Indian snake root called Rauwolfia was once used widely in India for everything from treating epilepsy to making sleeping potions. Modern chemists then discovered its true therapeutic effectiveness. Now called Resperine, it is widely used in lowering high blood pressure. This kind of exhaustive research keeps your doctor and our pharmacy well prepared to help you maintain your good health. Each prescription is filled with professional precision at our pharmacy. # The Church is the greatest factor of

of the Church itself, which needs h

moral and material support. Plan to

to church regularly and read your Bib

good citizenship. It is a storehouse spiritual values. Without a strong Churc "I thank thee, Father, for this food." neither democracy nor civilization of There is something very touching about a child saying grace. You feel that here is a small why every person should attend service regularly and support the Church. The person who is really in communion with God. are: (1) For his own sake, (2) For His earnest face filled with utter trust breather children's sake. (3) For the sake of I the real spirit of thankfulness. He feels what community and nation, (4) For the sal

And yet a prayer of thanks does not come naturally to a child. Just as he is taught to feed himself and brush his teeth and tie his shoe laces, so he must be taught to pray. Not taught exactly-but shown. He must be made aware of the loving Father's care.

Send your child to church school-take him to Church. There he will learn to recognize the presence of God in his life and to be grateful for the many blessings showered on him daily
